

# The COSMOS Environment

The COSMOS Environment is divided into three sections: the **COSMOS Toolbar** which runs along the top of the screen, the **Side-Bar Menu** which contains the **Project Navigation and Model Questions** on the left, and the **Responsive Model Canvas** on the right.

The way in which COSMOS works is based on the input provided from the Model Questions. When answers are provided and completed, the answers to these questions are then displayed, in real-time, in the Responsive Model Canvas:

As more responses are provided, the Responsive Model Canvas provides a completed visualisation of the model:

The screenshot displays the 'Co-Creation of Service Model' interface. On the left, a sidebar menu shows a question: 'Are there beneficiaries other than the direct user/participants? If so, who are they?'. Below the question, the 'Label' is 'User and User Family' and the 'Type' is 'Revision #3'. The main canvas, titled 'Co-Creation of Service Model', features a diagram titled 'Structural Relationships and Occasions'. The diagram is organized into several levels and categories:

- National Policy Level:** A box containing the text: 'Independent living institute + other CSOs were drivers of users' with disabilities equal rights to participate and influence service delivery for user empowerment and wellbeing.'
- External actors/organisations:** A box containing 'Higher Education of Social Service'.
- Municipal or national authority officials:** Represented by a group of red icons.
- Municipal Politicians, CSOs & Senior Social Dept Managers:** Represented by a group of green icons.
- Municipal Managers of (S) Disability Service Areas:** Represented by a group of blue icons.
- Unit Managers & staff teams in PA, etc.:** Represented by a group of light blue icons.
- Unit Managers and Senior Managers:** Represented by a group of green icons.
- Individuals with severe disabilities:** Represented by a single pink icon.
- User and User Family:** Represented by a single pink icon.

A dashed green line labeled 'Ethos' connects the 'Higher Education of Social Service' box to the 'User and User Family' icon. A blue circle highlights the 'Ethos' label and the 'User and User Family' icon.
